The culprit: bad planning. The [Playboy Guide to Bachelor Parties](#) makes a great gift for any man, whether he's planning a traditional raunchy boozefest or a more civilized affair of steaks and scotch. Learn what usually goes wrong and why: the who, when, and where of invitations; how much the night will cost; the ins and outs of cigars, booze, and limousines; and last-minute bachelor party ideas. There are more options than you think! Activities range from the PG-rated fishing, golfing, skydiving, and whitewater rafting to the R-rated strippers and shot glasses. Do you know how to toast the groom? How to call for a stripper—and not get scammed? And what to tell your girlfriend the next day? Playboy, in its 50th year of celebrating bachelorhood, knows best. • Contains complete listings of possible party activities and prices • Includes complete city guides for hotspots like Las Vegas, New Orleans, and Tijuana • Explains brothel terms and stripper scams • Saves party planners money and hassles • Offers a mix-and-match activity chart and to-do checklist • Loaded with entertaining trivia, quotes, toasts, and classic Playboy cartoons

[Blackjack](#) _____ Dario De Toffoli 2013-07-26 If you believe that winning at casino games depends entirely on chance or luck, then this is not the book for you. If, on the other hand, you think that it's crucial to have an effective strategy in order to win, then you simply can't do without it. The green table is the most democratic place to play, where the inequalities between you and the dealer are at a minimum and players can significantly increase their chances of victory. You just need to know how. Simply told and with a touch of irony, 'games king' Dario De Toffoli guides us through rules, secrets, tactics and advice, in a book that is as much for beginners as experts. So prepare yourselves to explore the world of Blackjack, which is 'deconstructed' and analysed in all its mathematical glory for the first time, making readers more conscious and successful when they play. Whether you are in front of a croupier in the flesh and blood or in front of your computer screen playing an online game, now is the time to abandon all those good luck charms and understand that your success depends on you. Because it's fun to play, but it's even more fun to win. So, what are you waiting for? Play the game, but don't let the game play you...

[TWISTED TOUR GUIDE TO LOS ANGELES](#) _____ Marques Vickers 2020-02-26 Avoid The Tourist Herds. What could be more uninspiring than seeing the identical attractions that everyone else has for decades? This Twisted Tour Guide escorts you to the places locals don't want to talk about anymore...the same places people once couldn't stop talking about. Long after the screaming headlines and sensationalism has subsided, these bizarre, infamous and obscure historical sites remain hidden awaiting rediscovery. Each visitation site in this guide is accompanied by a story. Many of the narratives defy believability, yet they are true. The profiled cast of characters feature saints and sinners (with emphasis towards the latter). Notorious crimes, murders, accidental deaths, suicides, kidnappings, vice and scandal are captivating human interest tales. The photography from each profile showcases the precise location where each event occurred. The scenes can seem ordinary, weird and/or sometimes very revealing towards clarifying the background behind events. If you're seeking an alternative to conventional tourism, this Twisted Tourist Guide is ideal. Each directory accommodates the restless traveler and even resident looking for something unique and different. Lone Star Field Guide to Wildflowers, Trees, and Shrubs of Texas Delena Tull 2003-06-23 With the Rocky Mountains to the west, the Great Plains to the North, the Chihuahan Desert to the south and the Gulf of Mexico to the east, Texas lies at the biological crossroads of North America. More than 5,000 flowering plants, from tiny herbs to towering trees, grow in these vast and diverse habitats. This book describes more than 600 species of the most common Texas wildflowers, trees, shrubs, and cacti in a well-illustrated, easy-to-use format. With over 400 color photographs, drawings, identification keys, and range maps for each species, the book uses a step-by-step process to easily identify major plant features. (Wildflowers, for example, are arranged by color for easy identification.) Essentially three books in one, this handy guide will be invaluable for weekend naturalists, gardeners, and nature lovers in general.

The Good Thief's Guide to Venice Chris Ewan 2011-04-28 Charlie Howard, gentleman thief and famous crime-writer, has gone straight. But holing himself up in a crumbling palazzo in Venice in an attempt to concentrate on his next novel hasn't got rid of the itch in his fingers. And to make matters worse, a striking Italian beauty has just broken into his apartment and made off with his most prized possession, leaving a puzzling calling card in its place. It looks as though kicking the habit of a lifetime will be much more of a challenge than Charlie thought. Sneaking out into Venice's maze of murky canals, and trying not to relish being back on the job too much, Charlie's efforts to be reunited with his treasured first-edition of *The Maltese Falcon* quickly embroil him in a plot that is far bigger and more explosive than he could ever have imagined. But by the time he finds himself bundling his first ever hostage into a trunk on a speedboat and on the run from the polizia he has to admit that he is in way too deep.

Playing with the Masters Blackjack Jeff 2011-09-27 My name is Jeff Friend I have 33 years experience in playing the game of blackjack. I think of this game as a sport, and being a good team player. Having good manners and respect for others is so important. I believe people will enjoy reading this book because it teaches, most miss played hands and good common sense plays, and why we do them. At the end of the day hopefully, you have made some money and gained some friends at the table. In 2010, I was one of the top contenders in tournament play and one of the most consistent winners. Its not how much you win, its how consistent you win. So many times I am asked to help new players, how to play the game and its always a privilege to help others. Remember we were all beginners at sometime. The friendships you gain will always be remembered. Thats how I gained the name of blackjack Jeff. I always wear a black hat, black coat, and when ever Im in the casinos, dealers pit boss, and players that know me always have fun.

The Fat Girl's Guide to Life Wendy Shanker 2009-08-17 Vibrant, vivacious and gorgeous, Wendy Shanker is a fat girl who has simply had enough - enough of family, friends, co-workers, women's magazines, even strangers on the street all trying (and failing) to make her thin. With her mandate to change the world - and the humour and energy to do it - Wendy shows how media madness, corporate greed and even the most well-intentioned loved ones can chip away at a woman's confidence. She invites people of all sizes, shapes and dissatisfactions to trade self-loathing for self-tolerance, celebrity worship for reality reverence, and a carb-free life for a guilt-free Krispy Kreme. Wendy explores dieting debacles, full-figured fashions and feminist philosophy while guiding you through exercise clubs, doctors' offices, shopping malls and the bedroom. In the process, she will convince you that you can be fit and fat, even as the weight loss industry conspires to make you think otherwise. *The Fat Girl's Guide to Life* invites you to step off the scales and weigh the issues for yourself.

Ada Blackjack Jennifer Niven 2012-02-21 From the author of *The Ice Master* comes the remarkable true story of a young Inuit woman who survived six months alone on a desolate, uninhabited Arctic island In September 1921, four young men and Ada Blackjack, a diminutive 25-year-old Eskimo woman, ventured deep into the Arctic in a secret attempt to colonize desolate Wrangel Island for Great Britain. Two years later, Ada Blackjack emerged as the sole survivor of this ambitious polar expedition. This young, unskilled woman--who had headed to the Arctic in search of money and a husband--conquered the seemingly unconquerable north and survived all alone after her male companions had perished. Following her triumphant return to civilization, the international press proclaimed her the female Robinson Crusoe. But whatever stories the press turned out came from the imaginations of reporters: Ada Blackjack refused to speak to anyone about her horrific two years in the Arctic. Only on one occasion--after charges were published falsely accusing her of causing the death of one her companions--did she speak up for herself. Jennifer Niven has created an absorbing, compelling history of this remarkable woman, taking full advantage of the wealth of first-hand resources about Ada that exist, including her never-before-seen diaries, the unpublished diaries from other primary characters, and interviews with Ada's surviving son. *Ada Blackjack* is more than a rugged tale of a woman battling the elements to survive in the frozen north--it is the story of a hero.

The Good Thief's Guide to Vegas Chris Ewan 2010-08-17 Chris Ewan's The Good Thief's Guide to Vegas is the next caper in a series that's being called "impressive... comic...fresh" (Publishers Weekly--starred review). Charlie Howard isn't only a part-time crime writer and part-time thief; he's also a magician. For his next trick, he'll relieve Josh Masters, the famous illusionist vying for the affections of Charlie's friend Victoria, of \$60,000 in casino chips stashed in his hotel safe. Revenge would be sweet—if there weren't a dead redhead floating in Masters' bathtub and if Masters hadn't just disappeared in a puff of smoke after cheating at roulette. Convinced that Charlie was in on the scam, the casino's owners give him an impossible mission: either pull off an elaborate heist to reimburse the house for every dollar his "accomplice" made off with, or enjoy a one-way trip into the desert.
