The Psychosocial Implications of Disney Movies Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The Nature of Psychological Explanation Robert Cummins 1983-01 In exploring the nature of psychological explanation, this book looks at how psychologists theorize about the human ability to calculate, to speak a language and the like. It shows how good theorizing explains or tries to explain such abilities as perception and cognition. It recasts the familiar explanations of "intelligence" and "cognitive capacity" as put forward by philosophers such as Fodor, Dennett, and others in terms of a theory of explanation that makes established doctrine more intelligible to professionals and their students. In particular, the book shows that vestigial adherence to the positivists' D-N model has distorted the view of philosophers of science about what psychologists (and biologists) do and has masked the real nature of explanation. Major sections in the book cover Analysis and Subsumption; Functional Analysis; Understanding Cognitive Capacities; and Historical Reflections. A Bradford Book.

The Neighbour Fiona Cummins 2019-03-28 For fans of The Family Across

the Street by Nicole Trope and The Cottage by Lisa Stone, The Neighbour by Fiona Cummins is a twisting thriller about a quiet neighbourhood that's hiding a deadly secret. 'Creepy as hell and kept me guessing to the very end' - Ian Rankin A new home. A new start. It's all the Lockwoods want. And on The Avenue, a leafy street in an Essex town near the sea, it seems possible. But what if what they want isn't what they get? On their moving-in day they arrive to a media frenzy. A serial killer has struck in the woods behind The Avenue. The police are investigating. And the neighbours quite clearly have secrets. With their dream quickly turning into a nightmare, the Lockwoods are watching everyone. But who's watching them? Praise for Fiona Cummins: 'Trust me - Cummins is a keeper' - Lee Child 'Head and shoulders above the rest' - Val McDermid 'A crime novel of the very first order' - David Baldacci Dark, intriguing and gripping' - Laura Marshall 'What a storyteller' - Caz Frear 'A nightmarishly addictive read' - CJ Tudor 'Enthralled from beginning to end as each page drips with threat and menace' - Liz Nugent

When I Was Ten Fiona Cummins 2021-04-15 When I Was Ten is the stay-up-all-night book by acclaimed crime author Fiona Cummins. 'Grips like a vice' - Val McDermid 'Absorbing, tense and beautifully paced' - Daily Mail Twenty-one years ago, Dr Richard Carter and his wife Pamela were killed in what has become the most infamous double murder of the modern age. Their ten year-old daughter - nicknamed the Angel of Death - spent eight years in a children's secure unit and is living quietly under an assumed name with a family of her own. Now, on the anniversary of the trial, a documentary team has tracked down her older sister, compelling her to break two decades of silence. Her explosive interview sparks national headlines and journalist Brinley Booth, a childhood friend of the Carter sisters, is tasked with covering the news story. For the first time, the three women are forced to confront what really happened that night - with devastating consequences for them all. 'I finished it with my heart in my mouth. Highly recommended' - Louise Candlish 'Dark, creepy and ultimately compassionate . . . a chilling look at the consequences of a childhood gone wrong' - JP Delaney 'Utterly compelling; a true just-one-more-chapter thriller' - Clare Mackintosh 'Pacy, dark and surprises to the bitter end. Loved it' - Fiona Barton

The Animals at Lockwood Manor Jane Healey 2020 A debut novel for fans of Sarah Perry and Kate Morton: when a young woman is tasked with safeguarding a natural history collection as it is spirited out of London during World War II, she discovers her new manor home is a place of secrets and terror instead of protection. In August 1939, thirty-year-old Hetty Cartwright arrives at Lockwood Manor to oversee a natural history museum collection, whose contents have been taken out of London for safekeeping. She is unprepared for the scale of protecting her charges from party guests, wild animals, the elements, the tyrannical Major Lockwood and Luftwaffe bombs. Most of all, she is unprepared for the beautiful and haunted Lucy Lockwood. For Lucy, who has spent much of her life cloistered at Lockwood suffering from bad nerves, the arrival of the museum brings with it new freedoms. But it also resurfaces memories of her late mother, and nightmares in which Lucy roams Lockwood hunting for something she has lost. When the animals appear to move of their own accord, and exhibits go missing, they begin to wonder what exactly it is that they might need protection from. And as the disasters mount up, it is not only Hetty's future employment that is in danger, but her own sanity too. There's something, or someone, in the house. Someone stalking her through its darkened corridors . . .

Unconventional Warfare (Special Forces, Book 1) Chris Lynch 2018-11-27 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army

Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

The Magician Colm Toibin 2021-09-07 A New York Times Notable Book, Critic's Top Pick, and Top Ten Book of Historical Fiction Named a Best Book of the Year by The Washington Post, NPR, Vogue, The Wall Street Journal, and Bloomberg Businessweek ?From one of today's most brilliant and beloved novelists, a dazzling, epic family saga set across a half-century spanning World War I, the rise of Hitler, World War II, and the Cold War that is "a feat of literary sorcery in its own right" (Oprah Daily). The Magician opens in a provincial German city at the turn of the twentieth century, where the boy, Thomas Mann, grows up with a conservative father, bound by propriety, and a Brazilian mother, alluring and unpredictable. Young Mann hides his artistic aspirations from his father and his homosexual desires from everyone. He is infatuated with one of the richest, most cultured Jewish families in Munich, and marries the daughter Katia. They have six children. On a holiday in Italy, he longs for a boy he sees on a beach and writes the story *Death in Venice*. He is the most successful novelist of his time, winner of the Nobel Prize in literature, a public man whose private life remains secret. He is expected to lead the condemnation of Hitler, whom he underestimates. His oldest daughter and son, leaders of Bohemianism and of the anti-Nazi movement, share lovers. He flees Germany for Switzerland, France and, ultimately, America, living first in Princeton and then in Los Angeles. In this "exquisitely sensitive" (The Wall Street Journal) novel, Tóibín has crafted "a complex but empathetic portrayal of a writer in a lifelong battle against his innermost desires, his family, and the tumultuous times they endure" (Time), and "you'll find yourself savoring every page" (Vogue).

Red Ant House Ann Cummins 2003 A collection of twelve tales explores the collision of cultures, genders, and generations in the American southwest, from a pair of orphans trying to repair their lives to a police officer who harbors growing fears about his kleptomaniac wife. Original.

Into the Dark Fiona Cummins 2022-04-14 Into the Dark is the new dark

and gripping crime thriller from Fiona Cummins about revenge, greed, ambition and the true cost of friendship. 'Complex. Inventive. Twisting. Unsettling.' - Sarah Vaughan, bestselling author of Anatomy of a Scandal
THE PLACE: Seawings, a beautiful Art Deco home overlooking the sweep of the bay in Midtown-on-Sea. THE CRIME: The gilded Holden family - Piper and Gray and their two teenage children, Riva and Artie - has vanished from the house without a trace. THE DETECTIVE: DS Saul Anguish, brilliant but with a dark past, treads the narrow line between light and shade. One late autumn morning, Piper's best friend arrives at Seawings to discover an eerie scene - the kettle is still warm, all the family's phones are charging on the worktop, the cars are in the garage. But the house is deserted. In fifteen-year-old Riva Holden's bedroom, scrawled across the mirror in blood, are three words: Make Them Stop. What happens next?

Liberty's Women Robert McHenry 1980 Contains more than one thousand biographies of American women from Virginia Dare, the first European child to be born in America, to such contemporary figures as Chris Evert, Susan Sontag, and Twyla Tharp

The Word for World is Forest Ursula K. Le Guin 2015-04-23 When the inhabitants of a peaceful world are conquered by the bloodthirsty yumens, their existence is irrevocably altered. Forced into servitude, the Athsheans find themselves at the mercy of their brutal masters. Desperation causes the Athsheans, led by Selver, to retaliate against their captors, abandoning their strictures against violence. But in defending their lives, they have endangered the very foundations of their society. For every blow against the invaders is a blow to the humanity of the Athsheans. And once the killing starts, there is no turning back.

Then & Now James Cummins 2004 James Cummins's first book of poems, The Whole Truth, became known throughout much of the poetry world as the "Perry Mason sestinas." His second book, Portrait in a Spoon, was chosen by Richard Howard for the James Dickey Prize Contemporary Poetry Series. His latest and most accomplished work is collected in Then & Now, which reflects the same inventiveness and wit evident in his earlier books, with a deepening of tone and spirit. The result is a collection of poems filled with feeling and with Cummins's signature anguished humor. If the language of poetry is a way into a hall of mirrors of the self, it can be a way out, too. The voice that emerges in Then & Now is sane, imaginative, bemused, and sly, not only taking responsibility for the character of the writer put fully on display, but ironically and affectionately exploring how this process occurs.

Matter, Materiality, and Modern Culture Paul Graves-Brown 2000 Matter, Materiality and Modern Culture offers a new approach to the study of contemporary objects, to give the reader a new understanding of the relationship between people and their material world. It asks how the very stuff of our world has shaped our societies by addressing

a broad array of questions including: * why do Berliners have such strange door keys? * should the Isle of Wight pop festival be preserved? * could aliens tell a snail shell from a waste paper basket * why did Victorian England make so much of death and burial?

Dale Fiers D. Duane Cummins 2003 Many call A. Dale Fiers the most significant figure in the Christian Church (Disciples of Christ) of the twentieth century. Raised in a devout family--his mother was ordained--in Kankakee, Illinois, and West Palm Beach, Florida, Fiers went on to have major impact not only on his denomination but on American Protestantism in general, particularly its approach to such social issues as missionary work and civil rights. Fiers served as executive secretary of the International Convention of the Christian Church (Disciples of Christ), president of the United Christian Missionary Society, administrative secretary of the Commission on Restructure, and was the first general minister and president of the church. Restructure was the process by which thousands of scattered Disciples congregations became an expression of one Church. This 1960s development towers over the landscape of Disciples history like a great mountain range, and Fiers looms over the era as its central figure. In this biography, commissioned by the Disciples of Christ Historical Society, D. Duane Cummins crafts a picture of a remarkable church leader and chronicles the way a significant religious body dealt with the ambivalences of its own existence, how missionary work developed into less paternalistic relationships, how a church struggled between attempts to minister on the local scene and throughout the world. Fiers lived in Florida and remained active in Disciples affairs until his death at age ninety-six in 2003.
