Messages in Stone Musée Barbier-Mueller 1998 The Southeast Asian archipelago includes numerous islands that are strewn with stone monuments and statues. Some of these carvings date back to an ancient past that is almost impossible to calculate. Others are but a few decades old. A number of these sculptures reach such an impressive size that they might almost rival the well-known giant carvings of Easter Island. Yet the surprising stone works of Island Southeast Asia remain relatively unknown to the general public and connoisseurs alike. For reasons that are hard to explain, Western museums have long overlooked this form of "primitive art." Only in the past few years has the situation changed as a few important institutions in Germany, Belgium and the United States added a Batak rider statue or a large ritual seat from Nias to their collections. For nearly a quarter of a century the Barbier-Mueller Museum has striven to assemble a coherent collection of these monolithic monuments. It is worth recalling that this museum put together in 1981, under the auspices of the Indonesian government, the "Art of Archaic Indonesia" show which was mounted in Geneva, Brooklyn and Dallas. Although other events have since enabled art lovers to learn more about the archipelago's stone sculptures, never has a single exhibition been devoted entirely to this art-- until today. Happily, that shortcoming is a thing of the past. Since its foundation twenty-one years ago, the Barbier-Mueller Museum of Primitive Art has earned for itself an international renown thanks to the exhibition catalogues and art books that the museum has published focusing on certain parts of its collection. Numerous traveling exhibitions have been organized in collaboration with several major museums, including the Los Angeles County Museum, the Dallas Museum of Art, the Metropolitan Museum of Art in New York, the Asia Society of New York, the Rotterdam Museum or the National Museum of Taiwan. The Barbier-Mueller Museum is a private non-profit institution that aims to conserve, study and publish a family art collection that first took shape during World War I and which an abiding acquisitions policy has continued to enrich. This growing collection now contains some 5,500 sculptures, fabrics, ornaments and pieces of jewelry from Oceania, Africa, the Americas and Southeast Asia. The public is periodically invited to discover the many facets of this collection, while long-term loans to other museums are regularly arranged. Hot Stone Massage Book and Kit 2012

California Business 1984

Hot Stone Massage Alison Trulock 2008 Hot stone massage is a unique variant of massage therapy that employs heated stones to release physical tension and calm the nervous system. The stones' warmth and weight help the recipient focus more intently on the massage, and to be more receptive to its benefits. This superb introduction explains everything about this ancient healing practice, from which stones to choose (color, smoothness, shape, and mineral content matter) to which strokes to use. Along with attractive instructional photos throughout, there's information on setting up the massage, working different parts of the body, stimulating the chakra points, and alleviating specific symptoms—including muscular aches, back pain, arthritis, circulatory problems, and insomnia.

The Dying World Omnibus John Triptych 2017-09-26 The first three books of this epic sci-fi adventure series (Lands of Dust, City of Delusions, The Maker of Entropy) are now available in one volume! Millions of years from now, the planet is dying. The oceans have dried into plains of ash. Strange, lethal creatures ravage the land. The surviving pockets of humanity eke out a brutal existence. But some humans have also evolved—into Magi, men who can move objects with a mere thought, and Strigas, women who can control others' minds. In this strange and exotic setting, a powerful telepathic protector must accompany a mysterious boy to bring hope to a dying planet. Explore Dying World, a new dystopian science fiction series in the tradition of Jack Vance's *The Dying Earth*, Gene Wolfe's *Book of the New Sun*, Frank Herbert's *Dune*, Edgar Rice Burroughs's *John Carter of Mars*, and *Star Wars*—as only John Triptych could tell it!

Stick and Stone Beth Ferry 2015 Stick and Stone are both lonely until Pinecone's teasing causes one to stick up for the other, and a solid

A Stone for Sascha Aaron Becker 2020-12-01 A girl grieves the loss of her dog in an achingly beautiful wordless epic from the Caldecott Honor-winning creator of *Journey*. This year's summer vacation will be very different for a young girl and her family without Sascha, the beloved family dog, along for the ride. But a wistful walk along the beach to gather cool, polished stones becomes a brilliant turning point in the girl's grief. There, at the edge of a vast ocean beneath an infinite sky, she uncovers, alongside the reader, a profound and joyous truth. In his first picture book following the conclusion of his best-selling *Journey* trilogy, Aaron Becker achieves a tremendous feat, connecting the private, personal loss of one child to a cycle spanning millennia — and delivering a stunningly layered tale that demands to be pored over again and again.

The Great Pyramid - The Message of the Pharaoh A. Sharp; M. Varav; I. Varav 2011-10-28 Anyone who wants to solve a mystery of the building of the Egyptian pyramids would say this with prejudice: How can I find out the truth if I've never seen the pyramids? I have to see them first. The paradox is born! The Pyramids of Giza plateau have a magical attribute: When you look at them, when you touch them, you become a hopeless loser instead of an optimistic searcher. The size of the stones, uneven rows with break-off edges bring mess in your mind. The pyramids become even more incomprehensible than before. Meanwhile, the pyramids, same as the stars or planets, can be solved without being up there. You just have to turn on your imagination, calculation, and logic. You do not have to see them at all. Moreover, you should not see them, if you really want to solve them! Strangely, but there is a paradox! We authors of this book were lucky! We've seen pyramids only on TV and books. And that fact brought bunch of questions which we wanted answers. Free of passion, we started to work with this problem with huge desire and full of optimism. The result exceeded the expectations: The right hypothesis from the beginning, healthy logic, and mathematical calculations gave birth to discoveries one after another. The more we were working with this mystery, the more it became clearer, understandable, and explainable. Dear Reader, When you finish reading this book, you might say this: One of the greatest mysteries of the world does not exist anymore!

Templars on Trek Otto Lohmüller 2021-08-15 The Knights Templar in this book do not wear armour, but Scout uniforms; they are fresh boys of the Panther and Seagull patrols on their Whitsun trip in the south of France. But with the same pride as those medieval warriors they wear the Knights Templar cross, along with the scout lily, as a symbol of their troop name. None of the boys would have dreamed that they would be drawn into a tremendous adventure through this. Who is the mysterious Dark One? Where did Torti go? Are the riddles solved at the Cathar Castle? This is not a fictitious story; it was really experienced, and is described to us in a gripping manner by Otto Lohmüller, the leader of the happy band, who also contributes the illustrations and expressive portraits as well as the painting and the design of the title.

The Guide to Massage, Spa Treatments and Healing from Pearl Escapes 2016 Pearl Howie 2015-11-17 With over 250 massages, spa treatments and types of healing tried and tested personally by the author, this is the guide to help you find the right experience for you, whether it's your very first massage or you want to try something a little bit more adventurous. A Letter, Addressed to Mr. Thomas Stone; On His General View of the Agriculture, of the County of Lincoln. by a Holland Fen-Farmer. with the Addition of a Letter, from Mr. Stone to the Printer; And an Answer Thereto HOLLAND FEN-FARMER. 2018-04-22 The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Medical theory and practice of the 1700s developed rapidly, as is evidenced by the extensive collection, which includes descriptions of diseases, their conditions, and treatments. Books on science and technology, agriculture, military technology, natural philosophy, even cookbooks, are all contained here. +++++ The below data was compiled from various identification fields in the bibliographic record of this title. Stone Cold Robert Swindells 2005-01-27 A tense, exciting thriller combined with a perceptive and harrowing portrait of life on the streets as a serial killer preys on the young and vulnerable homeless. 17-year-old Link is distrustful of people until he pairs up with Deb, homeless like him. But what Deb doesn't tell him is that she's an ambitious young journalist on a self-imposed assignment to track down the killer and that she's prepared to use herself as bait ... Winner of the Carnegie Medal

Letter Cutting in Stone Richard Grasby 1989

Stone Butch Blues Leslie Feinberg 2010-11 Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence. Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the prefeminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

Hot Stone and Gem Massage Dagmar Fleck 2008-11-18 A fully illustrated guide to the ancient Hawaiian art of massage with hot stones • Includes illustrated instructions for each area of the body • Explains how to combine hot stone massage with gemstone chakra treatment, detailing the specific healing powers of 54 gemstones • Recommends which base oils and essential oils enhance the effects of hot stone massage Since ancient times, the people of Hawaii have used hot stones for both physical and spiritual healing. Using basalt stones--fine-grained, high-density volcanic rocks with an exceptional ability to store heat--hot stone massage not only dispels tensions and soothes the soul but also enhances lymph flow, removes toxins, and fortifies the immune system. The treatment causes blood vessels to dilate, leading to improved circulation and consequently improved oxygen, nutrient, antibody, and protective cell supply to the area of the body under the stones and is extremely effective for joint problems, back pain, and sore muscles. Beyond the strictly physical benefits, the massage also stimulates the meridians and chakras, gently dissipating energetic blockages. This book provides step-by-step, fully illustrated instructions for treatments for each area of the body. The authors then include details on the specific healing powers of 54 gemstones, showing how to further enhance the benefits of hot stone massage with gemstone chakra treatment. For instance, in facial massage, working with amethyst can alleviate headaches and help heal skin blemishes. They also describe the therapeutic benefits of several base and essential oils and recommend specific combinations for hot stone massage. The power of the stones, the warmth of the treatment, and the massage itself unite in this holistic therapy to provide deep relaxation and calm that recharges the body and soul.

Crystal and Stone Massage Michael Gienger 2015-01-24 A full-color guide to crystal massage for healing, energy balance, and stress release in the physical, emotional, and energetic bodies • Illustrates full-body massage techniques with crystal wands, crystal spheres, polished stones, and amber • Details the healing properties of more than 50 crystals and gemstones and how to select the proper one for a specific condition • Explains how to cleanse and recharge crystal, gemstone, and amber after each massage so energies are not transferred from one

person to another In this full-color illustrated guide, Michael Gienger, along with contributors Hildegard Weiss and Ursula Dombrowsky, details the energetics and healing properties of more than 50 crystals and gemstones for use in massage. The book explains how to select the proper crystal or stone to aid healing of a specific condition as well as for relaxation and stress release. It illustrates specific massage techniques with crystal wands, crystal spheres, and polished stones that best utilize the crystal or stone's properties and shows how to perform a full-body massage that works on several levels--physical, ethereal, mental, and spiritual--depending on how the crystals are applied. Explaining how crystals absorb energy and information during a massage, the guide shows how to cleanse and recharge their energetic fields so energies are not transferred from one person to another. It also details how to rebalance and replenish your own energy after giving a massage. The book also includes a detailed chapter on the harmonizing effects of amber massage, complete with a step-by-step illustrated massage sequence. Amber's unique electromagnetic vibrations make it especially conducive to creating homeostasis in the body and thus a beneficial addition to any crystal or stone massage practice. With this complete illustrated guide, anyone can enhance their massage practice or self-healing through the powerful effects of crystals, gemstones, and amber.

A Companion to the War Film Douglas A. Cunningham 2016-05-31 A Companion to the War Film contains 27 original essays that examine all aspects of the genre, from the traditional war film, to the new global nature of conflicts, to the diverse formats war stories assume in today's digital culture. It includes new work from experienced and emerging scholars that expands the scope of the genre by applying fresh theoretical approaches and archival resources to the study of war films. The essays discuss "the combat film" but then also move beyond those limited confines to cover home-front films, international and foreign- language films, and the uses of alternative media—including Internet videos, military recruitment ads, government-produced films, and TV programs—across a range of conflicts, nations, and time periods. The essays address complex questions of gender, race, forced internment, international terrorism, and war protest in films such as *American Sniper*, *Good Kill*, *Grace is Gone*, *Gran Torino*, *The Messenger*, *Snow Falling on Cedars*, *So Proudly We Hail*, *Tae Guk Gi: The Brotherhood of War*, *Tender Comrade*, and *Zero Dark Thirty*. Taken together, these essays provide a nuanced vision of war film that brings the genre firmly into the 21st century and points the way for exciting future scholarship.

Rituals in Sacred Stone Wencke Johanne Braathen 2013-02 Were Jesus and Mary Magdalene married? In *Rituals in Sacred Stone*: Mary Magdalene's message of self empowerment you'll find the depth of love, devotion, knowledge and wisdom that made this famous couple able to work as a powerful team in a world mired in occupation and rebellion. The preserved shrunken head of an ancestor accompanies Mariam while she is educated at the mystery schools of Egypt. As a fully trained priestess, queen and wife, she performs the rituals required to apply the gifts of the Magi. Was the head of John the Baptist an oracle used as a political plot? Why did the crucifixion take place on a hollow hill called "the skull"? What is the Journey of Osiris? *Rituals in Sacred Stone*: Mary Magdalene's message of self empowerment is a controversial interpretation of the life of Mary Magdalene and brings you to the heart-wrenching choices that her education, her ancestry, and ancient prophecies forced her to make.

The Emerald Stone Sharon Ihama 2021-02-28 Everything about everything is about to change for teenage Mark Moorley. And the entire world. He doesn't know it yet. Nor does the world. Until he goes to university... Mark's plans for the future could not have been further from what would become his reality. Orphaned and bullied as a child, he is alone in his university room when he finds a peculiar message inside a pair of familiar looking gloves. Battling emotions and challenged by the mystery of the message he steps into a forgotten world, ancient, and co-existing with ours, where he discovers all Earth face a perilous fate in which he will play a pivotal part. Chosen to represent the race of Modern Man against Zargon, the Beast Lord, he must rally his side of the world with the Ancient Realm to combat the impending doom using The Ancient Key, a sacred and prophetic book with more to it than meets the eye. Led on a trail of quest, mystery, love, danger and adventure, questions he had long wrestled with about his life, and indeed life itself, will be answered in ways he could not have imagined, even beyond the questions themselves. Our world meets The Lord of the Rings, and the path will lead to finds that have been there since the genesis of time. Beyond, an answer you will find... The Emerald Stone, the first part of The Ancient Key, is a riveting epic fantasy for readers aged 15+.

Carrying the Message : an Introduction to Iroquois Stone Sculpture Prudet, Wolfgang M 1986 Text includes legends of the Iroquois. These stories provide the spirit for the creation of the sculpture.

Art of Letter Carving in Stone Tom Perkins 2013-12-21 The Art of Letter Carving in Stone portrays the beauty of this age-old craft alongside practical instruction. Written by an eminent practitioner and teacher, it guides the novice through the basics of letter carving, drawn lettering and making simple designs, and for the more experienced it explains a new proportioning system for classical Roman capitals and demonstrates a useful approach to designing letterform variations. Topics include: the development of twentieth-century letter carving; detailed instruction for V-incising the key strokes of letters; tools, materials, stone and making a letter carving easel; drawing a range of alphabets for use in letter carving; making inscriptions, gilding and painting letters, and simple fixings for inscriptions; designing headstones and plaques, house names, alphabets and poetry texts. This beautiful book illustrates a wide range of exciting and creative pieces, and celebrates the inspiring work of contemporary letter carvers. Superbly illustrated with 380 colour photographs and diagrams.

The Story of Stone Jing Wang 1992 In this pathbreaking study of three of the most familiar texts in the Chinese tradition—all concerning stones endowed with magical properties—Jing Wang develops a monumental reconstruction of ancient Chinese stone lore. Wang's thorough and systematic comparison of these classic works illuminates the various tellings of the stone story and provides new insight into major topics in traditional Chinese literature. Bringing together Chinese myth, religion, folklore, art, and literature, this book is the first in any language to amass the sources of stone myth and stone lore in Chinese culture. Uniting classical Chinese studies with contemporary Western theoretical concerns, Wang examines these stone narratives by analyzing intertextuality within Chinese traditions. She offers revelatory interpretations to long-standing critical issues, such as the paradoxical character of the monkey in *The Journey to the West*, the circularity of narrative logic in *The Dream of the Red Chamber*, and the structural necessity of the stone tablet in *Water Margin*. By both challenging and incorporating traditional sinological scholarship, Wang's *The Story of Stone* reveals the ideological ramifications of these three literary works on Chinese cultural history and makes the past relevant to contemporary intellectual discourse. Specialists in Chinese literature and culture, comparative literature, literary theory, and religious studies will find much of interest in this outstanding work, which is sure to become a standard reference on the subject.

The Auld Kirk Cemetery Gary John Byron 2008

The Rosetta Stone R. B. Parkinson 2005 The Rosetta Stone is one of the most popular artefacts in the British Museum. Containing a decree written in Greek, Demotic and hieroglyphics, it proved to be the key to deciphering Egyptian hieroglyphics. This concise study traces the history of 'the most famous piece of rock in the world' to become a modern icon and tells the story of the race to use it to decipher Egypt's ancient script by Jean-François Champollion and Thomas Young. Also includes a translation of the text.

The Writing of the Gods Edward Dolnick 2021-10-19 The surprising and compelling story of two rival geniuses in an all-out race to decode one of the world's most famous documents—the Rosetta Stone—and their twenty-year-long battle to solve the mystery of ancient Egypt's hieroglyphs. The Rosetta Stone is one of the most famous objects in the world, attracting millions of visitors to the British museum every year, and yet most people don't really know what it is. Discovered in a pile of rubble in 1799, this slab of stone proved to be the key to unlocking a lost language that baffled scholars for centuries. Carved in ancient Egypt, the Rosetta Stone carried the same message in different languages—in Greek using Greek letters, and in Egyptian using picture-writing called hieroglyphs. Until its discovery, no one in the world knew how to read the hieroglyphs that covered every temple and text and statue in Egypt. Dominating the world for thirty centuries, ancient Egypt was the mightiest empire the world had ever known, yet everything about it—the pyramids, mummies, the Sphinx—was shrouded in mystery. Whoever was able to decipher the Rosetta Stone, and learn how to read hieroglyphs, would solve that mystery and fling open a door that had been locked for two thousand years. Two brilliant rivals set out to win that prize. One was English, the other French, at a time when England and France were enemies and the world's two great superpowers. *The Writing of the Gods* chronicles this high-stakes intellectual race in which the winner would win glory for both himself and his nation. A riveting portrait of empires both ancient and modern, this is an unparalleled look at the culture and history of ancient Egypt and a fascinating, fast-paced story of human folly and discovery unlike any

other.

The Wretched Stone Chris Van Allsburg 1991 A strange glowing stone picked up on a sea voyage captivates a ship's crew and has a terrible transforming effect on them.

Punch 1973

Asylum Andre Alexis 2020-08-04 Alexis's long-awaited second novel follows his award-winning *Childhood*. Set in Ottawa during the Mulroney years, *Asylum* is André Alexis's sweeping, edged-in-satire, yet deeply serious tale of intertwined lives and fortunes, of politics and vain ambition, of the building of a magnificent prison, of human fallibility, of the search for refuge, of the impossibility of love, and of finding home. Whether he is taking us into the machinations of a government office or into the mysterious workings of the human heart, Alexis is always alert to the humour and the profound truth of any situation. His cast of characters is eccentric and unforgettable, all recognizable in one way or another as aspects of ourselves or people we know well. At the centre of the story, which covers almost a decade, is a visionary project to build an ideal prison, a perfect metaphor for the purest aspects of artistic ambition and for all that is great and flawed in the world. André Alexis is a true original, one of the most talented and astute writers writing in Canada today. This dazzling novel is filled with tragedy, dry wit, intellectual grit. It is playful, linguistically accomplished, and psychologically profound. Its yearnings constitute the highest level of human concerns and pursuits. Alexis has written *The Great Canadian Novel*, with a twist.

Celestial Angel Messages Brian M Holmes 2021-06-20 *Celestial Angel Messages: From Jesus and Other Spirits of Light* is a collection of messages which I have sought and received from Celestial Angels, friends and guides in spirit, and spirit family members. The messages speak at great length about the Divine Love, what it is and how to get it, and about important topics which will be of interest to those people who are spiritually minded, are concerned with their soul, think about the afterlife and the spirit world, or would like to know more about God, Jesus or other Celestial Angels and spirits.
